## STANFORDS AUCTION SALEROOM

**Third Party Liability.** Every person on Stanfords premises at any time shall be deemed to be there at his own risk. He shall have no claim against Stanfords in respect of any accident which may occur or injury, damage or loss howsoever caused, save insofar as the injury, damage or loss shall be caused by the direct negligence of Stanfords employees.

### GENERAL CONDITIONS OF SALE

1. **Definitions.** In these Conditions Stanfords, who act only as auctioneers and agents for the vendor, are called 'The Auctioneers' and the representative of Stanfords conducting the Auction is called the 'Auctioneer'.
2. **General.** Whilst Stanfords make every effort to ensure the accuracy of their catalogue and the description of any lot:
  - (a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of description.
  - (b) Stanfords do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition of quality of any lot, unless they have been instructed in writing by the vendor so to certify, and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
  - (c) All statements, whether printed in the catalogue or made orally, as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Stanfords, unless they have been instructed in writing by the vendors so to certify and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
  - (d) Any claim under any Statute must be received in writing by the Auctioneer within ten days of the date of the sale.
3. **The Auction.**
  - (a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots, to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneers discretion.
  - (b) The highest bidder shall be the buyer except in the case of a dispute. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid.
  - (c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any other person (who may be the Auctioneer).
  - (d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.
4. **Rescission.** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Stanfords have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Stanfords in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the buyer, satisfies Stanfords that considered in the light of the entry in the catalogue the lot is a deliberate forgery, then the sale of the lot will be rescinded and the purchase price of the same refunded. In the event of a dispute then the matter shall be settled by arbitration. The arbitrator to be nominated by the President of the Royal Institution of Chartered Surveyors. Both the buyer and the vendor agree to be bound by the decision.
5. **Default.** Stanfords disclaim responsibility for default by either the buyer or the vendor because they act as agents for the vendor only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.
6. In the event of a sale by private treaty both the vendor and the buyer agree to be bound by the General and any Special Conditions of Sale.

  - (a) Unless otherwise instructed in writing all goods on Stanfords premises and in their custody will be held insured against the risks of fire, theft following forcible entry and water damage (but not against accidental breakage or damage). 13. **Reserves.**

- (a) All goods are put up for sale **WITHOUT RESERVE** at the Auctioneers discretion unless written instructions as to reserves are received by Stanfords prior to the commencement of each sale.
- (b) In the event of any reserve price not being reached at auction Stanfords are empowered to sell after the auction by private treaty, at not less than the reserve price as long as the goods remain on Stanfords premises. - 14. Indemnity.** The vendor shall indemnify Stanfords against any claims in connection with any goods sold by Stanfords on the vendor's behalf.

Each buyer shall forthwith give his full names and permanent address and if called upon to do so by the Auctioneer shall forthwith pay to Stanfords such proportion of the purchase price as the Auctioneer may require. If the buyer fails to do so, the lot may, at the Auctioneers sole discretion, be put up again and be resold.
